STATEMENTS OF CANDIDATES
CONGRESSIONAL DISTRICT 7

David Lee Mandel
Occupation: Human Rights Attorney

A Sacramentan since 1985, I have parented three public school-educated children. I worked as a newspaper editor/writer and a Legal Aid attorney, serving seniors. I have since participated in federal cases defending free speech and engaged in political action for international human rights and social justice in our community. From 2015, I have served as an elected Democratic Central Committee member, challenging corporate-friendly policies and politicians.

Congress hasn't acted in accord with the needs and dreams of voters in our region. I join large majorities in demanding reversal of global warming, environmental protection, reproductive justice, gender equality, racial justice, worker rights, plentiful affordable housing, free public higher education, and universal healthcare through passage of Expanded/Improved Medicare for All.

These social priorities are undermined by current U.S. foreign policies championed by most of Congress. Reducing our massive military spending is critical for funding programs that enhance community well-being. Eliminating war as an option is essential to protecting the planet and human life.

The world is at a turning point. We must significantly alter our foreign policy, grounding it in human rights and pursuing diplomatic, not military, solutions. We must end support for governments that violate human rights: no exceptions.

Obscene corporate profiteering, like exorbitant charges by insurance and pharmaceutical giants, also conflicts with social priorities. As a candidate and Congress member, I will listen to constituents -- and refuse corporate donations.

With your vote, I'll bring these values to Washington. For more information and to help, please visit www.mandel4congress.org.

**STATEMENTS OF CANDIDATES
ASSEMBLY DISTRICT 6**

<p>Sean Frame Occupation: Union Steward, Sacramento County Office of Education</p> <p>I'm a corporate free candidate running to represent us. I see these donations as little more than bribes for votes against our interests. I've seen the housing crisis firsthand - 10% of students in the school district I represented faced housing insecurity, and my own father was unhoused while struggling with mental health.</p> <p>As a 9-year School Board Trustee, I fought for students facing housing/food insecurity and brought high-speed internet to our entire community. As a union steward, I helped negotiate an 18% pay raise for our lowest paid employees and earned the endorsement from CSEA.</p> <p>Wellstone Progressive Democrats/Our Revolution Sacramento endorsed me because they trust me to represent the people, not the powerful. We won't solve our housing crisis if our elected leaders are in the pockets of big developers. As your assemblymember, I will fight to build more affordable housing, stop Wall Street private equity from owning single-family homes, bring back rent control, fund mental health services, and declare a state of emergency on housing.</p> <p>I believe that healthcare should be a right, not a privilege. I'm proud to be endorsed by the National Union of Healthcare Workers, and I stand with them in supporting a Single Payer/Medicare for All plan for all Californians. It's time to focus on providing actual healthcare, not private jets for CEOs.</p> <p>I will fight for solutions that prioritize people over corporate profits, bring carbon emissions to net zero by 2030, and rapidly accelerate the greening of our economy with sustainable, good-paying union jobs.</p>	<p>Paula Villescaz Occupation: Healthcare Policy Director</p> <p>I have lived in this district for 20 years. I know we need results now on homelessness, housing, public safety, tackling our climate crisis, and addressing rising costs of living and healthcare.</p> <p>I'm the first in my family to graduate college. I was lucky to have great public school teachers and counselors. I'm a cancer survivor - access to quality healthcare and good doctors saved my life. I know I have what it takes to overcome the big challenges we face and deliver real solutions. As a school board member, public servant, and policy director, my record of public service is clear: fighting for the Affordable Care Act, securing \$750 million to rebuild our schools and making them safer, and serving on the frontlines of California's COVID emergency public health response.</p> <p>My life changed when I became a mom last year. My commitment to building a better future has a renewed sense of urgency and purpose.</p> <p>Families in Sacramento and across the state are finding it harder to make ends meet and plan for the future. Wages aren't keeping up with inflation, while the costs of food, gas, childcare, and basic necessities soar. I'm dedicated to strengthening every family, and as your Assemblymember, I will fight for you.</p> <p>I have earned a 100% rating by Planned Parenthood Advocates Mar Monte and endorsements from Sacramento Mayor Darrell Steinberg, California's doctors, educators, healthcare workers, construction workers and many others. I'm honored by the trust they have in me to lead our state to a stronger future. Join us.</p> <p>www.PaulaVillescaz.com</p>

STATEMENTS OF CANDIDATES
ASSEMBLY DISTRICT 6

<p>Maggy Krell Occupation: Deputy Attorney General</p> <p>As Planned Parenthood’s lawyer, I protected choice and access to healthcare. Here’s how the Sacramento Bee reported my hiring: “Planned Parenthood California brings on a ‘tenacious fighter’ (Maggy Krell) to take on Trump.”</p> <p>As Deputy Attorney General, I was honored by the National Center for Missing & Exploited Children for taking down the largest sex trafficking operation in America. National Public Radio reported it this way: “(Maggy Krell) was going after one of the largest sex trafficking websites in the world... and in large part because of Krell’s effort, it’s been shut down... “ And the Washington Post: “This is such an important step forward for the many people who’ve been combatting human trafficking’ said Maggy Krell...”</p> <p>When immigrant families were ripped apart, I went to the border and volunteered. According to KCRA: “Maggy Krell served as one of the attorneys fighting to reunite a Honduran mother and her 6-year-old son... She was fleeing violence in her home country, according to Krell.”</p> <p>The Anti-Defamation League awarded me the Sherwood Prize for combating hate and bigotry. I’ve been called on as an expert for the Washington Post, NBC News, NPR, USA Today and LA Times. New York University Press recently published my book, “Taking Down Backpage, Fighting the World’s Largest Sex Trafficker, A Prosecutor’s Story.”</p> <p>My entire career has been dedicated to using the law as a force for good. In the Assembly, I will craft laws that make people’s lives better.</p> <p>I live in Land Park with my husband and teenage sons.</p>	<p>Carlos Marquez III Occupation: Civil Rights Advocate/Small Business Owner</p> <p>As a small business owner, nonprofit president, and civil rights leader, I’ve worked with everyone to find common ground and deliver practical solutions without compromising my values. To tackle homelessness and public safety, the skyrocketing cost of living, climate change, and defend our civil rights, we need proven problem-solvers in government, not more career politicians. That’s why I’m running to represent you in the State Assembly.</p> <p>As ACLU California’s executive director, I partnered with Planned Parenthood to enshrine abortion rights into the state constitution, earning a 100% rating from Planned Parenthood Advocates Mar Monte. And I helped pass new investments in public safety and crime prevention. As president of a local non-profit, I established a groundbreaking shelter for homeless youth, and was recognized as a Pride Honoree by the Legislative LGBTQ+ Caucus. As an education advocate, I negotiated a once-in-a-generation agreement between teachers and public charter schools, protecting our public schools and ensuring access to high-quality education options for every student.</p> <p>I’ve delivered by working with both parties, unions and business. I’ll do the same as your Assemblymember to pass tough laws that get illegal guns off our streets, audit government spending on homelessness to ensure programs are accountable for delivering results, fast track the construction of housing, protect our environment, and defend fundamental rights.</p> <p>Please join former U.S. Senator and climate champion Barbara Boxer, Sacramento Region Business Association, and dozens of neighborhood leaders in supporting me. I would be honored to have your vote. www.carlosforsacramento.com</p>

STATEMENTS OF CANDIDATES
ASSEMBLY DISTRICT 6

<p>Rosanna Herber Occupation: President, Sacramento Municipal Utility District</p> <p>I moved here from Indiana almost 40 years ago and fell in love with Sacramento. I immediately started working for a Sacramento City Council Member. We started the “Trees for Tomorrow” campaign, a successful 10-year effort to plant one million trees, encouraging the early growth of the Sacramento Tree Foundation.</p> <p>I then worked at SMUD for 20 years, where I established the Community Engagement Department, improving customer service and promoting SMUD’s green programs. I developed agreements to expand businesses and create jobs at Apple, Intel and McClellan Business Park. I worked with the County and surrounding cities to use less energy and go green.</p> <p>After retiring, I was elected to the SMUD Board. There, I led the charge to declare a Climate Emergency, putting SMUD on the path to remove all carbon (pollution) from its electric supply by 2030, a full 15 years before the state. SMUD is doing this while keeping our rates low and helping underserved communities go electric. In fact, SMUD’s rates are now 50% lower than PG&E’s.</p> <p>I’m proud of my work as an environmental advocate. I bring people together to find solutions to tough problems. I’m running for the Assembly to fight climate change, and to work to address the homeless crisis, bring new jobs and housing to our region, and fight for quality education and access to healthcare. State Senator Angelique Ashby, Mayor Darrell Steinberg, and former Mayor Heather Fargo support our campaign. Learn more at www.rosannaherber.org.</p>

STATEMENTS OF CANDIDATES
JUDGE OF THE SUPERIOR COURT OFFICE NUMBER 21

Amy Holliday
Occupation: Assistant Chief Deputy District Attorney

I've dedicated my 21-year career as a Sacramento County Prosecutor to making our homes, neighborhoods and schools safer by holding violent criminals accountable.

As a Superior Court Judge, I will treat everyone who enters my courtroom - victims, jurors, witnesses, defendants and attorneys - in a respectful, fair and equitable manner that ensures justice is served and the community protected.

My experience includes: Sacramento County Assistant Chief Deputy District Attorney in charge of Felony and Cold Case DNA Teams. I led the successful prosecution of several major cold cases, including Joseph DeAngelo, the East Area Rapist/ Golden State Killer. I was named Prosecutor of the Year in 2015 and awarded the Outstanding Victim Service Award in 2014. Additionally, I am a Law Professor and a volunteer coach for St. Francis High School Mock Trial Team and have served as Presiding Judge for the National Ethics Trial Competition.

I'm honored to be endorsed by Superior Court Judges and by Sacramento County's leading public safety officials, including Sheriff Jim Cooper, Sacramento County Police Chiefs, District Attorney Thien Ho, former District Attorneys Anne Marie Schubert and Jan Scully and former Sheriff John McGinness.

I humbly ask for your vote. Please visit www.HollidayforJudge.com to learn more.

STATEMENTS OF CANDIDATES
MAYOR, CITY OF SACRAMENTO

Richard Pan
Occupation: Physician/Educator/Businessman

I worked for over 20 years to build a healthier, safer, and prosperous Sacramento. As a pediatrician, UC Davis educator, small business owner, and your state representative, I built a track record as a problem solver and coalition builder who delivers results.

I partnered with firefighters to secure millions in federal funds annually for emergency responders, passed tough gun safety and violence prevention laws, balanced budgets, and expanded healthcare coverage to a record number of Californians.

I'm running for Mayor because our city is in crisis. Sacramento wants leadership that will make the tough decisions necessary to solve our biggest challenges and get Sacramento on track.

As Mayor, I will bring my experience as a physician and public health expert to tackle homelessness with a results first approach that includes housing, prevention, treatment, and enforcement. My "Back to Basics" agenda will clean up blight and prioritize city responsiveness to neighborhood issues. I will protect the character of our neighborhoods as we build more affordable middle class housing.

That is why I am supported by trusted leaders including District Attorney Thien Ho, Senator Angelique Ashby, and small business owners across the city. I'd be honored to have your vote.

Flojaune "Flo" Cofer
Occupation: Public Health Professional

Why should we trust the people who got Sacramento into this mess to get us out? I'm tired of politicians serving their corporate donors and abandoning the public, so my people-powered campaign rejects corporate PAC money. As a public health expert and four-term chair of the Measure U committee, I'll provide the leadership needed to solve our homelessness and housing crisis, make our streets safer, and create quality jobs while protecting our climate.

At the Department of Public Health, I built coalitions to expand women's health coverage, and decreased infant mortality statewide. I'm an epidemiologist with a PhD in Public Health. For years I've advocated for bold action on housing and workers rights. I'm endorsed by labor unions, small business owners, progressive leaders, and community groups.

My parents were public school teachers and union members. They taught me to fight for our community. I lost my dad at age eleven. He started smoking when Big Tobacco lobbyists lied about the dangers. Since then I've dedicated my life to passing policies that help us live longer and healthier lives.

Sacramento needs new leadership. Let's build a city where everyone can thrive. Join our movement at www.floformayor.com.

STATEMENTS OF CANDIDATES
MAYOR, CITY OF SACRAMENTO

Kevin McCarty

Occupation: Assemblymember/Father

I understand firsthand how public programs can help working families. Growing up in Sacramento, I watched my mom struggle to raise four children alone. Subsidized childcare and after-school sports programs kept us safe, allowing my mother to go to work and finish college. Memories of her obstacles and success guide me today as I run for Mayor.

Sacramento is facing serious challenges, but I am not quitting on our great city. The next generation, including my twin daughters, is counting on us to ensure safe neighborhoods, protect our environment, create good jobs, and provide affordable housing options for everyone, not just the few.

I know that tackling our biggest problems like homelessness can be solved with the right leadership and policies. We need to act with more urgency clearing our sidewalks and getting people off the streets — with emergency shelter, services and treatment and pathways to permanent housing.

My experience as a Housing and Redevelopment Commissioner, City Councilmember and State Assemblymember prepares me for this critical time in our city.

I'd be honored to earn your vote and be your Mayor. Please contact me and learn more about my campaign at www.mccartyformayor.com

Steve Hansen

Occupation: Small Businessman/Housing Advocate

As a father of two, a small businessman, and a former City Councilmember, I'm running for mayor because the status quo is not working for Sacramento families. The rising cost of living, crime, and homelessness are spiraling out of control. It's unacceptable. We need a Mayor who will fight for change.

As Mayor, I will accelerate the use of Care Courts to get severely unwell individuals off the streets and into treatment. I'll work to expand services - like the Triage Center at Capitol Park I helped create - and expand the number of shelter beds. I'll increase funding to recruit and retain police officers, park rangers, firefighters and paramedics to improve neighborhood safety and reduce emergency response times.

Together, we can solve our housing affordability crisis by cutting red tape to build thousands of new units. When I was on the City Council, I passed plans to build 10,000 new units of housing on under-used properties.

Our campaign has been endorsed by small businesses, local police, and civil rights organizations - because they know that together, we can build a thriving, safer Sacramento.

I hope to earn your vote by March 5. Learn more and join us at Steve4Sacramento.com.

STATEMENTS OF CANDIDATES
COUNCIL MEMBER, CITY OF SACRAMENTO DISTRICT 6

<p>Kevin Rooney Occupation: Plumbing Contractor</p> <p>Hello, my name is Kevin Rooney. I am running for Sacramento City Council, District 6. I'm a fifth generation Sacramentan on both sides of my family. On my father's side 1848, on my mother's side 1846, then known as New Helvetia. Homelessness and improving public safety are among my top priorities as your City Council representative. If elected, I will prioritize public safety by working diligently with law enforcement agencies to address crime and improve neighborhood security. As a small business owner, the challenge of working on difficult issues excites me. Education is the foundation of a flourishing community. STATEMENTS OF CANDIDATES
COUNCIL MEMBER, CITY OF SACRAMENTO DISTRICT 6

Katherine “KC” Schuft
Occupation: Real Estate Agent

I am a NorCal native, lived in Sacramento for 23 years, and 20 of those have been in my beloved Colonial Heights where I served as a volunteer leader in our neighborhood association for 10 years. In the last redistricting, my neighborhood was left out in a deferred area without a councilmember to support and fight for us. Over the last two years, we have had to fight for ourselves. I realized many of my neighbors thought they were alone, so I organized a coalition to create a louder voice this past summer. Together, we made our neighborhood safer by making our city officials listen to us. Why do we have to fight for safety and quality public goods? I realized that many lost confidence in our local government over the last few years. I know I can bring that back. I am about action and not words. I am not a politician. I want to hold our government accountable for its failings, bring transparency and integrity back, implement a plan to help our unhoused that tells them where they can go, address the fentanyl crisis that also impacts our unhoused residents. I will fiercely fight for our neighborhoods!

CITY OF SACRAMENTO

MEASURE C

“Shall the measure amending the City of Sacramento’s perpetual business operations tax – by increasing the gross receipts taxable threshold to \$100,000, setting new flat tax rates for professionals (\$684), setting new flat tax rates for nonexempt residential rentals, hotels, and short-term rentals (\$114, plus 2.85/unit above thresholds), and setting new maximum annual tax liability, all with yearly cost-of-living adjustments for an estimated annual increase of \$6,000,000 for general governmental use - be adopted?”

IMPARTIAL ANALYSIS OF MEASURE C Prepared by Sacramento City Attorney

The Sacramento City Council has placed Measure C on the ballot. Measure C would amend the Sacramento City Code relating to business operations taxes.

All non-exempt businesses that operate in the City of Sacramento or do business with the City of Sacramento must pay a business operation tax (“BOT”).

The current BOT rates (except for cannabis businesses) were adopted in 1991. The annual tax obligation of each business depends on its business type. Here is Measure C’s effect on the five business-type rates:

Gross Receipts (applies to most businesses):

Current – if gross receipts exceed threshold of \$10,000, tax is \$30 plus \$0.0004 for each dollar over threshold; under that threshold, tax is \$30

Measure C – if gross receipts exceed threshold of \$100,000, tax is \$50 plus \$0.0004 for each dollar over threshold; under that threshold, tax is \$50

Professionals:

Current – for non-broker professional businesses, tax is \$75, \$150, or \$300, depending on the number of years licensed, plus \$30 per professional employee; real estate brokers, insurance brokers, and stockbrokers pay \$100 for principal broker plus \$30 per employee, agent, representative, or supervised independent contractor

Measure C – for non-broker professional businesses, tax would be \$684 plus \$68 per professional employee; for insurance brokers and stockbrokers, tax would be \$684 plus \$68 per employee, agent, representative, or supervised independent contractor; for real estate brokers, tax would be phased-in at \$150, \$200, and \$228, plus \$68 per employee, agent, representative, or supervised independent contractor

Contractors (businesses doing work that requires a city building permit):

No change in rates

Housing and shelter:

Current – persons renting residential real property pay a tax of \$25, plus \$1.75/rental unit over four; hotels/motels pay a tax of \$50, plus \$0.75/rental unit over four

Measure C – for persons renting residential real property, the rate would be \$114, plus \$2.85/rental unit above one; for hotels/motels/short-term rentals, the rate would be \$114, plus \$2.85/rental unit above one

Cannabis-related businesses:

Not affected by Measure C

Measure C would also change the maximum annual tax liability for businesses other than cannabis businesses. Currently, the maximum liability for all businesses other than cannabis businesses is \$5000. Measure C would change that maximum as follows:

- July 1, 2024, maximum = \$25,000
- July 1, 2025, maximum = \$50,000
- July 1, 2026, maximum = \$75,000
- July 1, 2027, maximum = \$100,000
- July 1, 2028, maximum = \$125,000

Additionally, all new rates and limits created by Measure C would be subject to annual cost-of-living adjustments. Adjustments to the gross receipts threshold and most flat rates start in 2025. For real estate brokers, the flat rate adjustments start in 2027. Adjustments to the maximum annual tax liability start in 2029.

If approved, the measure would be effective July 1, 2024.

• • •

A “yes” vote is in favor of amending the Sacramento City Code relating to the business operations tax. A “no” vote is against amending the code. A majority of “yes” votes is required to pass Measure C.

SECTION 9. Majority Approval; Effective Date.

This ordinance shall be effective only if approved by a majority of the voters voting on this ordinance and shall go into effect on July 1, 2024.

ARGUMENT IN FAVOR OF MEASURE C

This measure will modernize an outdated tax that has not been updated since 1991, more than 32 years ago; protect small and medium-sized businesses; and raise revenue to support essential City services such as police, fire, and park maintenance. Today, the maximum Business Operations Tax paid by any business in Sacramento is \$5,000 – regardless of whether it's a corner store or a giant corporation. This measure will gradually increase the maximum amount so that large businesses pay their fair share, but also have certainty about the amount they will owe.

This measure further protects small and medium-sized businesses by increasing the dollar threshold at which businesses are exempt from paying this tax. A medium-sized, \$10 million per year business, such as a local restaurant or grocer, actually would see their taxes drop under this measure. The largest increases would be for businesses with revenue of \$500 million or more. The measure also contains future adjustments for inflation, which the City's current Business Operations Tax lacks.

Vote Yes on Measure C to modernize the Business Operations Tax, protect small and medium-sized businesses, and support essential City services!

NO LONGER AT THIS ADDRESS?

OFFICIAL ELECTION MAIL IS NOT FORWARDABLE:

It is one of the security features of the Vote by Mail system. Election mail that is not deliverable as addressed must be returned so that the Elections Office can keep the voter file up-to-date.

WHAT TO DO:

If you receive a ballot packet addressed to a voter that no longer lives at your address:

1. Mark the checkbox near the top of the envelope, directly above the address window.
2. Drop the ballot packet back in your mailbox. The USPS will return it to the Elections Office - at no cost to you!

WHAT HAPPENS AT THE ELECTION OFFICE:

If USPS has a new address on file for the voter, they will provide that information on a label adhered to the ballot packet when they return it to the Elections Office. The Elections Office will use the new address to attempt to contact the voter. The voter must confirm their new address prior to receiving any election materials.

Undeliverable ballot packets are securely stored and retained with all other election materials.
